**Starsky + Cox and Tim-Scapes Launch New Jewelry and Product Line
Renowned Astrologers and *Sextrology* Authors Team with Celebrated Duct-Tape Artist and Designer**

Provincetown, Massachusetts; November 28, 2022: Stargazing scribes Stella Starsky and Quinn Cox, “the favored, astrologers of fashion insiders” (*Elle*), “psychics to the stars” (*Vanity Fair*), and “the duo behind *Sextrology*, a wildly popular tome whose straight-forward attitude has been embraced by the chic set” (*Vogue*), have joined forces to create a flagship collection of unisex zodiac-themed jewelry, apparel and product in collaboration with friend, colleague and duct-tape artist Tim Convery whose bold graphic Tim-Scapes prints and products have made an indelible mark on the global design landscape, from his Provincetown store headquarters to ubiquitous points around the planet.

Convery’s signature cityscape designs, inspired by vintage travel posters, combine a distilled rendering of the locale’s name with visual representations of city landmarks into a single pictograph—the name Provincetown, for example, is reduced to four letters and fused with an image of a lighthouse, the same with San Francisco with incorporated imagery of the Golden Gate bridge. Likewise, with Astro-Scapes, the names of the zodiac signs are merged with their associative symbols of the ram, the bull, the twins, the crab, and so on. The result is a series of visually stunning and energetically powerful glyphs that, particularly in jewelry form, pack a talismanic punch.

As “leading astrologers whose unique approach combines counseling with astrology and psychic oriented methods” (*British Vogue*), New Yorkers Starsky + Cox long based their summer HQ in Provincetown when Convery, a fan of their books, moved there in 2009, soon becoming a client. They would be instrumental in guiding him toward realizing his dream, first, as an artist, who “painted with words,” and ultimately as the creative entrepreneur for which he is renowned. As their friendship grew, the three would muse about joining forces; when, in 2018 they together devised the twelve inimitable astrological images and Astro-Scapes was born, beginning with a line of tee shirts and mugs and other products, which also feature empower “key words” per sign. With a hand from famed London jeweler Alice Ciocolini, the designs were rendered, for starters, into fine sterling silver unisex pendants affixed to 18-inch chains, with 2-inch extenders, for a choice of lengths. Priced at \$175, a pendant makes the perfect no-brainer birthday gift! Plans for more jewelry pieces and styles—in silver, gold, enamel and “starring” precious stones associated with the signs—are already in works.
